APPENDIX VI.

(Vide Answer to Question No. 315.)

(1) *Copy of the Trichur Tahsildar's report dated 11th Vrischigam 1104. S. C. No. 133/1104, to the Diwan Peishkar.*

The petition is resubmitted. The petitioners complain of the proposed location of a market in Sy. 260/7 of Aranattukara Village for which draft declaration, etc., have been called for in your order on S. C. No. 70/04. I inspected the place and enquired into the matter complained of by interviewing some of the petitioners. The houses of two of the petitioners are very close to the site and they have to go to their houses along the lane immediately west of the site. There are only a few Christian houses close to the site but all the other houses nearly 20 in number belong to the caste Hindus who do not want a market there and object to its location at the proposed site. There is however no objection to open a market on a portion of patta land, Sy. No. 302/1 which lies between the Chettupuzha and Pottar Kadavu roads. This portion of Sy. No. 302/1 contains no improvements and the cost of acquiring the site will be far less than that of acquiring Sy. No. 260/7.

2. In these circumstances orders are solicited in the matter.

(2) *Letter dated 18th Vrischigam 1104, S. C. No. 70/1104, from the Diwan Peishkar.*
